

The January 6 Theater Plays On

Just my opinion, as usual, based on internet research and a good eye

[I outed this event](#) as another staged circus run by the Air Force within 24 hours and here it is, coming up on three years, and both sides are still making up stories for political hay. Won't be long before this show will be vying with *Cats* and *Rent* for longest-running play on the East Coast.

Gateway Pundit, allegedly on the right and a supporter of Trump, is today running a fake story about the Munn Family of Texas, supposedly a big family of devout Christians. It says so in the title and first sentence (too obvious). One problem:

They all look Jewish and Munn is a Jewish name. I knew this immediately since I have eyes and know how to use them, but also because I used to work with Abe Munn in New York, buying antique replica frames from them. Abraham Munn was Jewish and most of the people working there were still Jewish in the 1990s (before it closed). Also because I had a model who looked a lot like one of those girls, and she was very Jewish. But it isn't just her. Almost all these people look VERY Jewish, including the mother and all the girls except maybe the little girl in blue in the front. I admit she doesn't look Jewish, and the father could fool me, too. But as for all the others, *fugetaboutit*.

Five in that family, including the mother and father, were allegedly raided by the FBI in the summer 2021 and pled **guilty** to picketing inside the Capitol building. Why would they plead guilty when the guards escorted them in? *Gateway Pundit* is how helping them raise funds. But notice these other

anomalies and problems with the story. To start with, we haven't heard of them until recently, and we are told that was because they waited over a year to reach out to the press. They were “unknown to the J6 community of supporters”. Very weird. Looks like a late-breaking addition to the script to me, to fill in some hole. We are supposed to believe the mother Dawn and eldest daughter Kristi are “traveling nurses”, now being denied work by hospitals for being involved in J6. But wait, since this is just now making headlines, how did the hospitals know about it? Besides, it is illegal to fire someone for their political opinions. So why are these people going to the *Gateway Pundit*? Why not hire a lawyer and sue these hospitals for civil rights violations and make millions? That's too logical, I guess.

We are also told

This was after the Munns were at the forefront of the battle with COVID-19, working in COVID units from the very first day. It was not uncommon to have 5 of the family members all working in the same unit on a shift. They were called heroes by the media and those pushing the COVID narrative, risking their own health!

Yeah, really? And where was that? Can we see where they were called heroes by the media? And which five were working in Covid units? Since only two of them are allegedly nurses, are we supposed to believe the other three were deputized doctors and nurses? Also remind yourself there weren't any Covid units. All those hospitals supposedly slammed by Covid were empty. We have seen the footage from private reporters.

But here's the biggie red flag, buried in the blurb below one of the posted photos:

Kristi Munn and her Air Force Veteran husband. Kristi will be sentenced along with her parents and younger teenage siblings this Wednesday in DC Federal Court.

Oho, so that red-bearded guy, unnamed, just happens to come out of Air Force, too! That's so cozy, since in that previous research we found all these people also coming out of Air Force:

1. Ashli Babbitt/Pamatian/McEntee/Witthoeft, or whatever her real name is. 16-year veteran, and now 19 year veteran, since she is still alive.
2. John Sullivan, the cameraman, who just happened to be the son of Air Force Lt. General Kevin Sullivan.
3. Lt. Col. Larry Brock.
4. Sgt. Kenneth Harrelson, supposed to be Army but arrested at Cape Canaveral AFB.
5. Proud Boy A. J. Fishcer, Air Force veteran.

Those aren't the only military that have been outed in the event, not by a longshot, but they are the main ones from Air Force I uncovered in my initial research for that paper.

And why publish two pictures of that Air Force guy and refuse to name him? *Gateway Pundit* conspicuously fails to name this man, while asking us to donate to support him.

So let's look these people up on the internet, to see if we can tease out some more information. The mother Dawn Munn has four last names listed, including Cooke, Carter and Fleshman. Fleshman is also a Jewish name, of course, a variant of Fleishman. But my point is only one of those can be her maiden name, so she appears to either have been married three times or she has aliases. Maybe some of those older daughters are from previous marriages? We don't know, but in her listing at Instantcheckmate, they don't have different last names than her. Kristi, Kelsi, Kerri, and Kayli are all

Munns.

That relatives list seems to confirm this family as real, but it is curious we have no links to Carters or Fleshmans. If she was previously married to those families, she should have them on her current list.

In the article it says “their young son Joshua”, who I had thought was the boy in the picture above with a red shirt. But the computers tell us he is 25.

We can tell these photos are several years old because all the older girls are listed at Instantcheckmate, so they must be over 18. Only one of the six looks over 18 in the pic above, and she looks way over 18. The married one, Kristi, center, looks to be in her 30s. So that is also weird. She is listed as 30 at Instantcheckmate, and married to a Harper. We find no Corwin Harper in Texas related to a Munn, so we try the other one, Zechariah Harper. Again we come up empty. No **Zechariah** Harper related to a Munn or listed for Borger. We finally find him in Wisconsin, but with no listings for Texas. So how was Kristi working with her mother in Borger as a nurse during Covid if her husband was living in Wisconsin?

This is also weird: he is listed as Zechariah L. Harper of Wisconsin, and there is only one with a middle initial L. in Wisconsin. If we search on that, we pull up [this police report](#) at the *La Crosse Tribune* of a Zechariah L. Harper of Tomah, WI. But if we go there the story has been changed since 2017. He no longer appears on the page, with the name of the arrested changed. But this tells us he was probably assigned to Fort McCoy just two miles away. It is a domestic battery story, so it is possible he was assigned by the Air Force the faking of this event, as part of the Men are Pigs project. Which would allow us to peg him as Air Force theater department back to 2017. [Smartbackgroundchecks has him](#) listed as Zechariah Lewis Harper, currently of La Crosse, with **22** previous addresses. He has lived in La Crosse for at least ten years. He has also lived in Camp Douglas, which would probably be Volk Field. So again, how did he have a family with this nurse in Borger, TX? This site also lists an alias for him of . . . Betty Tipton. Wow.

We also have a big problem with Kayli Munn, who *Gateway Pundit* tells us is about to be sentenced this week:

She is “the teenager in the red dress” there. Except that the big computers do not confirm that.

NAME	AGE	LOCATION	POSSIBLE RELATIVES	VERIFIED RESULT
Kayli A. Munn aka: Kayli A. Munn, Kayli A. Freeman, Kayli M. Munn	28	Darlington, SC Waycross, GA Florence, SC Lamar, SC	Jason Freeman Polly Freeman Tracy Freeman Tracy Larymore Jordan Munn Landon Munn	
Kaylie E. Munn aka: Kaylie E. Munn, Kaylian Munn	24	Gainesville, GA Buford, GA	i	
Kaylian R. Munn aka: Kaylian R. Munn, Kaylian Munn		Tampa, FL	Debra Daniels-munn Aisha Munn Herman Munn Kenya Munn Keyna Munn Shaquita Munn	

She is listed on her mom's page and Kristi's page, but when we search on her in Texas we get nothing. When we search on her in “all states” we get the result above, where that one is the only one in the entire US. That doesn't appear to be the right girl, since 28 is not a teenager and that Kayli is not linked to any of these people.

Let's check the Cookes in Dawn's bio. They aren't from Texas, they are from the Chicago area, related to Biel and Childress. Biel is also a Jewish name, think Jessica Biel.

This Debra Childress in the Cooke lists is aka Debra Lyons-Cooke, which is gold. The Queen is a Lyons and we saw a lion on the chest of Ashli Babbitt's husband. The famous viking of the J6 event is Jacob Chansley, and he is also a Lyons through his mother. Debra Childress also links us to Westphalens and Lotspeichs, which is double gold. As you will remember, [Karl Marx's wife](#) was a Westphalen. I wrote a whole paper on her. The Westphalens were and still are German nobles, and Jenny Marx's father was Chief-of-Staff for the Duke of Brunswick. Through his mother Jane Wishart, Ludwig von Westphalen was a Stuart, with that line coming from Scotland. Lotspeich is also Jewish/German, and they are related to Hoovers, Pfeiffers, and Landenburgs. The Landenburgs are Swiss nobles closely related to the Habsburgs.

So, you have to admit these are some strange names to be finding in our little homeschooling Christian family from Borger, Texas.

Let's keep going. Deborah Westphalen is 66 and is also linked to Vittorios and Terrells. These Vittorios are listed for Plano, TX, and also link us to Campbells. That Marilyn Campbell is also a Carter, as is Dawn Munn. Vittorio can also be a Jewish surname, and when it is it links us to famous lines in Venice, meaning Phoenician Navy.

We can go back and search on Kelsi Munn as well, who I had assumed was one of those teenaged girls above. Nope. She is listed as being 27 and with no location in Texas on her list. Only Wisconsin.

Who is Pearl Munn in Dawn's list? She is apparently a grandmother, being 85 and aka O'Connor. So probably Thomas' mother.

But let's go back to Corwin J. Harper, 31, on the list of Zechariah. Maybe a brother? He also has Bangor on his list, and a search on those keywords pulls up what appears to be yet [another bogus police](#)

[report](#) from the *La Crosse Tribune*. There we find that in 2011, Corwin Harper of Bangor sexually assaulted a 13-year-old girl. Yep, another Men-are-Pigs story, meant to frighten young women. [He is now a registered sex offender](#). But can this be the same guy? Could be, since this was eleven years ago, making our Corwin Harper 20. Here is the picture in the police report:

Looks about 20 to me. So, another amazing coincidence, or more Air Force shenanigans? You decide. According to [this lawsuit listing](#), this same Corwin J. Harper of Tomah currently works for Hormel Foods. But that may be more theater. My guess is theater.* I don't think any of this is real.

Why? For the same reason I don't think anyone was ever in jail in DC or was ever charged. It is not just these Munns, it is everyone. *Gateway Pundit* and other outlets like Infowars have been reporting people being in solitary confinement for almost two years now, but the stories make no sense. That is strictly illegal, and if there was any chance it was true, all the international organizations would be all over it, including Amnesty International and many others. Instead, we only hear it from these "conservative" outlets pushing the other side of J6. In other words, we only hear it from CIA and FBI fronts. As I have been showing you all along, this J6 story is faked from BOTH sides. The event was staged and then the arrests and jailings were also staged. These reports from the right are just as fake as the original event, which was staged by the left. So although I happen to be on the conservative side here, being against the J6 hearings, etc., I am not in favor of all this theater. I am tired of the lies on both sides.

I keep hitting these events because I want to encourage you to ignore all this theater and keep your focus. Don't let them divide you on party lines, or any other lines of that sort: gender, race, age, sexual preference, or abortion. Your focus should be the vaccine genocide that is ongoing and the crashing of the Constitution that made it possible. You should be in full pushback by now, and that won't be achieved by sending money to any of these Jewish actors. The Air Force already steals more than enough of your taxes as it is for its fake events. Only a fool would give them any more. This also tells you a lot about *Gateway Pundit*, since they are not running these stories because they have been fooled. They are doing the fooling.

*I note that Corwin has a hickey in the photo above, which sort of adds to the farce here.
